

SCIATICA SUFFERERS SOON RELIEVED

Peenial, darting, piercing pain of neuralgia in sciatic nerve relieved by Sloan's Liniment.

Don't think there's no help for your sciatica because you've tried other remedies. Sloan's Liniment is so penetrating and effective, it gets right down and stops the pain by relieving the pressure on the irritated nerve. Probably some inflammation or congestion is causing this irritation. The counter-irritant effect of Sloan's Liniment soon quiets the nerve and stops its paroxysms of protesting pain. Simply bathe the aching part with a little Sloan's Liniment. This clear, clean liquid will not stain the skin. It gives you immediate relief without rubbing. The wear and tear of suffering from sciatica, neuralgia, sprains, bruises or other external aches not only makes you less able to endure the pain, but may have a weakening effect on your strength. You can always get Sloan's Liniment. Generous size bottles at druggists everywhere. 25c, 50c, \$1.00.

SEND-OFF DINNER WORKERS TO PLAN "WELCOME HOME"

Committee Forms Permanent
Organization to Keep Lights
Burning Till Boys Return.

The Evening World Send-Off Dinner Committee, which arranged the parting feast for the New York troops, has effected a permanent organization. It will keep up its work and hopes to welcome back the victorious army in due time.

This is the outcome of a modest dinner held by the committee at Lorch's, No. 1470 Broadway, last night. Mr. Lorber was the guest of honor, though he knew nothing about it till summoned to the board at 8 o'clock.

Mr. Lorber was presented with a gold-headed walking stick with the thanks of the committee for his unselfish work for the success of the send-off dinner.

He expressed his thanks, aided by Mrs. Lorber and Miss Lorber, who had also been summoned. Then he announced that he would turn over to

the Y. M. C. A. War Fund the entire cost of the dinner.

The committee then decided upon a permanent organization. August 21st was made Chairman and Howard E. Taylor of the Y. M. C. A. Restaurants Secretary.

Aside from planning for the welcome home of the "boys" the committee will try to keep Broadway "alive."

Augustine McNally in a brief speech pointed out the danger ahead if Broadway should be turned into a "lightless way" and the "whole social fabric be depressed" by the abandonment of the normal functions peculiar to a civilized people.

Mr. McNally said he expected soon to hear some of his own drafted into war service, but saw no reason why a civilized people should put crabs on their doors because they found themselves confronted with an enemy that threatens to wipe off the map the very embodiment of democracy.

C. R. MacDonald of the Atlantic Hotel Supply Committee was the first to suggest that the organization be made permanent. Maurice Eckstein spoke, as did R. R. Moffitt, Judge Hellsholmer, Charles "Everlasting" Gehring, John J. Cavanaugh, Thomas D. Green and J. F. Doherty.

Harry Kelly, who supplied the melons for the "big feast," was absent, but sent his "love" and said he'd make melons grow for the "big victory dinner" that's ahead.

SENATOR LEWIS SIGHS AT A SHAVEN SOUSA

CHICAGO, Nov. 21.—Senator James Hamilton Lewis demurs at the action of Capt. John Philip Sousa in destroying "in a moment of aberration" a barricade of whiskers thirty-two years old.

"Whiskers are precious," the Senator says, "and I believe Capt. Sousa must have had some deep secret motive in making that sacrifice. Because 17,000 Jackies are whiskerless and the war is the shaven man's war, are lame excuses."

Then the Senator stroked the blond camouflage radiating from his face and sighed.

HURL PEPPER; GET \$9,000.

Hobbers Bited Factory Employees and Settle Payroll.

CLEVELAND, Nov. 21.—Two suspects, known by police through a previous arrest as carriers of pepper, were being held to-day in connection with the \$9,000 payroll robbery at the Van Horn Iron Works plant last night—a crime accomplished through the blinding of two employees with pepper.

The robbery was carried out with singular boldness. Three men drove up to the plant while one waited in the automobile. The other two dashed into the office, blinded two employees with pepper and made off with two steel cash boxes containing the money.

WIFE OF PREACHER IS HELD AFTER SPEECH

Illinois Village Causes Arrest and Forces Business Man to Carry a Flag.

ALBION, Ill., Nov. 21.—The town of West Salem is excited over the arrest of Mrs. Catherine Fabbri, wife of the Rev. James Fabbri of Peoria Valley, Ill. Mrs. Fabbri, a former resident of West Salem, has but recently returned from Germany, where she had spent more than two years visiting her father.

In an address at the Christian Church in West Salem Sunday evening, she is said to have made pro-German statements which were resented by the patriotic citizens. Monday afternoon a mass meeting was held at which resolutions condemning Mrs. Fabbri were adopted.

O. L. Hallbeck, a prominent business man, also did some pro-German talking. He was made to head a long procession around the public square carrying an American flag. Mrs. Fabbri was arrested by local authorities. A Federal officer from Evansville is now in West Salem.

West Salem is largely a German settlement. The majority of the people are loyal, but some are not. The talk by Mrs. Fabbri gave the few German sympathizers great satisfaction.

Mrs. Couch was rumored last May to have been shot in Germany as an American spy, captured by a writer who had written to friends in this country.

A prominent credit man recently said that he considers A Merchant who still clings to Horse and Wagon Delivery a Bad Risk.

The profit and loss account of America is being written by machinery. Methods that made men rich yesterday will make them poor today. The nose-bag has no place in a progressive community. With corn at one dollar a bushel and gasoline at twenty odd cents a gallon the most extravagant truck is a money saver. But the

MAXWELL

ONE TON

TRUCK

is the thriftiest truck ever built. A penny counter, a general expense reducer. The greatest single force for better business that the past year has witnessed. At this moment when conservation of energy, time and dollars is so vital to national welfare, when merchants are making so many unexpected outlays—the Maxwell is fighting for economical administration, laboring day and night at a minimum wage and furnishing competent and reliable transportation at the lowest load cost at which goods have been carried in our time.

Maxwell maintenance and repair bills are the lowest of record. It furnishes American Commerce, never so sadly in need of labor, a truck which even a boy can operate and understand.

Just the right size for the average firm. 2400 pounds. But muscled for giant burdens. Worm drive—a feature hitherto associated with the highest priced trucks.

Sold under the same guarantee as \$5000 trucks are. Electric lights and generator. 10-foot loading space. 16 miles to the gallon. The lowest priced one-ton truck in the world and sold on liberal terms. \$985; and it will earn its cost out of the savings it effects.

Pays its way from day to day.
